Explanation	Screenshot
10. Choose <i>Create</i> .	
11. Choose <i>Next</i> .	
12. Choose <i>Next</i> .	

Explanation	Screenshot
13. Choose <i>Next</i> .	 The screenshot shows the SAP Build Process Automation interface for a project named 'Sales Order Management'. A dialog box titled 'Switch to New Layout for Process Editor' is open, displaying a process flow diagram. The 'Go to Step' section shows a list of steps, with the 'Next' button highlighted by a red circle and labeled with the number 13. The 'Close' button is also visible at the bottom right of the dialog box.
14. Choose <i>Next</i> .	 The screenshot shows the same SAP Build Process Automation interface. A dialog box titled 'Switch to New Layout for Process Editor' is open, displaying a process flow diagram. The 'Process Information Button' section shows a list of steps, with the 'Next' button highlighted by a red circle and labeled with the number 14. The 'Close' button is also visible at the bottom right of the dialog box.
15. Choose <i>Close</i> .	 The screenshot shows the same SAP Build Process Automation interface. A dialog box titled 'Switch to New Layout for Process Editor' is open, displaying a process flow diagram. The 'Smart Menu' section shows a list of steps, with the 'Close' button highlighted by a red circle and labeled with the number 15. The 'Close' button is also visible at the bottom right of the dialog box.

Explanation	Screenshot
<div data-bbox="151 421 199 465"></div> <p data-bbox="151 472 443 580">You have now successfully created a process project.</p>	 <p>The screenshot displays the SAP Build Process Automation interface for a project named 'Sales Order Management'. The interface includes a top navigation bar with the SAP logo, 'Build Process Automation', and the project name. Below this, there are tabs for 'Overview' and 'Order Processing'. The main workspace shows a process diagram with a 'Trigger' box containing the text 'How do you want to start your process?' and an 'Add a Trigger' button. Below the trigger box is an 'End' box. The right sidebar contains a 'Release' button, a 'Saved' button, and a zoom control set to 100%. The bottom of the interface features a 'Design Console (0)' and a 'Test Console (0)'.</p>
